

Classical & Blenders

by Jackie Robinson of Animas Quilts

free pattern **STAR CROWNS**
BY JACKIE ROBINSON (56" X 56")

Subtle swirls and textures are not the only thing that make these prints a must-have... the colors are absolutely right on trend! There are soft grays, yellows and neutrals as well as saturated blues, reds and purples. In fact, there's just about every color you need to give life and depth to your sewing or quilting project. We love the variety and the richness of the colors, and plan to make this a staple in our sewing room. Be sure to use it with Jackie's new Accent on Magnolias and her other collections. Classic Scrolls will add just the right touch of sparkle to whichever project you choose. There's a reason they are "classics"—they are always in style!
