Binding Miter Tool

Construction:

This project uses precise 1/4" seams. To test your seam allowance, accurately cut (2) 1-1/2" x 3" rectangles. Stitch them together along the 3" length. Measure across the unit. It should be exactly 2-1/2" wide. If not, adjust your seam and repeat.

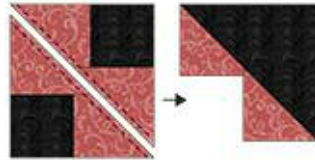

1. Use (5) of the same color 2-1/2" squares with (4) 2-1/2" squares of Wave Texture Black to create 9-patch blocks. Press so the seams will alternate. Make (13) using all the 2-1/2" squares. They measure 6-1/2" square from raw edge to raw edge.

2. Place (2) same color 3-7/8" squares from 10 x 10's face down on two opposite corners of a 7-1/4" square of Wave Texture Black. Draw a diagonal line through the center. Stitch an accurate 1/4" on each side of the drawn line. Make (12) from the 10 x 10's and (1) from Classic Scroll Purple.

3. Cut the Step 2 units apart on the drawn line and press toward the color triangles as shown.

4. Position a 3-7/8" square of a matching color right sides together on the Black Wave Texture corner of each Step 3 unit. Draw a diagonal line from corner to corner. Stitch an accurate 1/4" seam along both sides of the drawn line. Make (26).

5. Cut on the drawn line of the Step 4 units and press toward the color. This unit measures 6-1/2" x 3-1/2" from raw edge to raw edge. Make (52) which is (4) of each color.

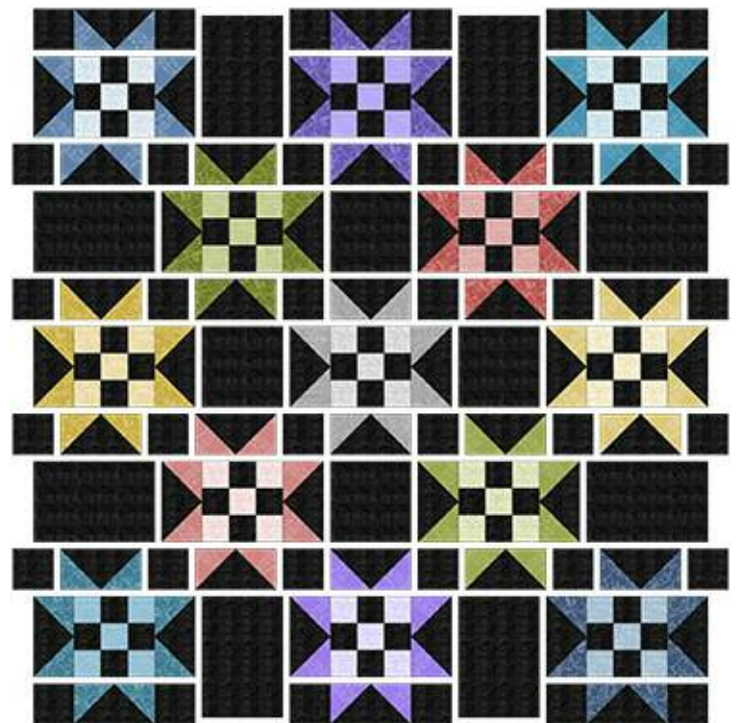

6. Attach a Step 5 unit to two opposite sides of each Step 1 Nine Patch, matching color families. Make (13).

7. Lay out the quilt according to the diagram, using all the pieces made so far plus the 3-1/2" squares, the 6-1/2" squares, and the 6-1/2" x 9-1/2" of Wave Texture Black.

8. Note that on the top and bottom rows, you will assemble Step 5 star points with 3-1/2" squares of Wave Texture Black and attach them to the center before sewing the entire row together. Assemble the quilt. Press gently. It should measure 48-1/2" square from raw edge to raw edge.

9. Attach the borders in this order, pressing gently after each set.

2" x 48-1/2" Wave Texture Black to both sides

2" x 51-1/2" Wave Texture Black to top and bottom

1-1/2" x 51-1/2" Classic Scroll Purple to both sides

1-1/2" x 53-1/2" Classic Scroll Purple to top and bottom

2" x 53-1/2" Wave Texture Black to both sides

2" x 56-1/2" Wave Texture Black to top and bottom

10. Layer your quilt and prepare to quilt your masterpiece. We suggest a simple swirling design.

11. Bind with the 2-1/2" strips specified, following the instructions with the Binding Miter Tool. There is also a video demo of this terrific tool at [YouTube.com](https://www.youtube.com)
